The New Hybridizers in Australia and Singapore

This month, **Pam Koide Hyatt** will be visiting us again. Her topic will concentrate on the hobbyist hybridizers in Australia and Singapore - with an emphasis on tillandsia hybrids. She will also show the progress on the gardens at the Singapore Gardens by the Bay. Some of you may have seen Dennis Cathcart's talk on building the Gardens by the Bay. Pamela visited these places when she spoke last year at Bromsmata in Sydney, Australia.

Pam will be bringing plants for sale and our society has purchased plants from Pam for our plant table this month.

Your editor is in Los Angeles and was unable to put out a regular newsletter this month. Next month we will produce a longer newsletter.

No one signed up for refreshments this month, but our members always come up with delicious goodies. Thanks in advance.
